Shedding Light on Union Politics

We are all part of the United Federation of Teachers (UFT)

You may ask: What all of this is about?
It's time for union elections !!!!

Your vote counts:

**NONE OF THESE GROUPS ARE ANTI- UNION
WE ARE THE UNION AND SO ARE YOU!**

WANT NEW LEADERSHIP? WELL IT'S TIME TO VOTE!!

THE POWER IS YOURS- It's time for change!

The incumbent caucus UNITY does not want you to know that we exist. They control all our money, our union dues. They fail to fairly honor the democratic electoral process.

If you are not satisfied with the current leadership, it is time to change it. Under the current leadership, 98% of complaints are denied even with sufficient evidence.

That is enough for us to want the change. How about you?

If you believe in the democratic process, go out and vote!

Our Mission

We are committed:

- To advocate for all members and improve our profession.
- To provide oversight and support to members harassed and struggling under hostile work conditions.
- To expose the corruption and abuses that negatively affect member working conditions and therefore our communities
- To advance our union while still embracing these challenges.

The UFT Solidarity Caucus, founded in 2014, it is a group within the United Federation of Teachers that will bring the union’s focus back to its members. By improving the working conditions of the union members, who serve our school and communities. We believe we can make the positive changes our school system and communities so desperately need.

We will do this together. We will do it in solidarity.
